On 31 October 1953, the Friedrich August Kaserne and the Hindenburg Kaserne, Glauchau, were occupied by about 150 to 200 troops wearing red-bordered black epaulets, including some with tank insignia. Source believed that most of the troops were cadre personnel. Source had the impression that the sheds, especially in the southeast section of the Hindenburg Kaserne were occupied to capacity by SP guns, tanks, armored personnel carriers and motor vehicles. 25X1
